

## What do you find at... Cap Hedges & Associates?

Founded in 1975, Cap Hedges & Associates continues to serve Portland area businesses with local, regional, and national advertising. Current clients include Neil Kelly Designers/Remodelers, Fisherman's Marine Supply, A-Boy Plumbing and Electrical, Globe Lighting, The Melting Pot Restaurant, The Place To Shoot, Baxter Auto Parts, National Mortgage, and National Properties.

Results are what we get for our clients. We increased Fisherman's Marine Supply's 1995 sales by over 30%. Helped Neil Kelly Designers/Remodelers join the ranks of America's Top 25 home remodelers. We brought national attention to Portland State University Athletics. We are the creative people that Hollywood Video comes back to again and again. Other success stories include substantially increasing Paragon Cable's customer base and helping build G.I. Joe's for eighteen years to its strong regional presence.

As a full service advertising agency our services include creative marketing strategies, broadcast and print production, copywriting, media planning/placement, cooperative advertising programs, cross-promotional advertising, Internet marketing services, event planning, and public relations. Our external resources, including graphic design and market research allow us to match specific talent to our clients' needs.

Our goal is to provide the highest quality of service, employ the latest technical opportunities, and the right creative approach for our clients. At Cap Hedges & Associates we get results.
