**National Kidney
Foundation™**

of Oregon & Southwest Washington

Formerly the Kidney Association of Oregon. Serving Kidney Patients since 1967.

More than 3,500 people in Oregon & SW Washington are suffering from kidney disease and need your help. One out of 20 Americans have some sort of kidney or urological disease. Millions more are at risk. When you donate your car, truck, motorcycle or boat it will be auctioned with all proceeds going to the fight against kidney disease. To make your donation, call toll free 1-888-3-KIDNEY. If you are unable to deliver your vehicle we will gladly make arrangements to pick it up free of charge. Vehicle donors may qualify for a substantial tax deduction on this year's taxes. Help your friends and neighbors in our great Northwest stand a chance against life threatening kidney disease. Donate a Kidney Car Today!

"My name is Amy Batori and my mother donated one of her kidneys to save my life. I'd like to ask you to donate your older or unneeded car to the National Kidney Foundation of Oregon and Southwest Washington's Kidney Car Program. You just might save a life."
